United Nations

The United Nations is an international organization founded in 1945. It is currently made up of 193 Member States. The mission and work of the United Nations are guided by the purposes and principles contained in its founding Charter.

Due to the powers vested in its Charter and its unique international character, the United Nations can take action on the issues confronting humanity in the 21st century, such as peace and security, climate change, sustainable development, human rights, disarmament, terrorism, humanitarian and health emergencies, gender equality, governance, food production, and more.

Create a Campaign Poster

1. Watch USAid video.
2. Read the World Food Program mission statement and highlight 5 main ideas in the article.
3. Create a campaign poster to bring awareness to this initiative.
